Street Painting Festival Selection Committee Deems that:

1. The sponsors and artists are partners at the Performance. The sponsor purchases the space on which the artist will create an image. Because the art created for your square represents the sponsor, it is very important that your subject matter be something that the sponsor will consider a positive partnership. Generally, sponsors do not like to see their name associated with images of violence, gore or major controversy. The Festival Committee must consider the sponsors' concerns in our selection process.
2. If you are selected as an artist for Expressions In Chalk Performance, you must render the image you included with your application form. Any image change after submission must be approved by Expressions In Chalk Committee at least two weeks prior to the festival.
3. Incomplete or illegible applications will not be accepted.
4. Space is limited and available on a first come first served basis as determined by the selection committee.
5. Children under the age of 16 can only participate as a registered street painter if they are part of a supervised school group or with a parent or adult supervisor.
